File No. 22011/NAA/14/2018/138

Date: 24th May, 2018

Dear Shri A.K Pandey,

It has been observed that the number of complaints received by most of the screening committees of the state is reflecting a 'NIL' figure. This expresses a concern over the Anti-Profiteering concept of the GST law envisaged vide Section 171 of the CGST Act, 2017.

I would therefore, emphasis over the functioning of the State Screening Committees to be more pro-active so that the concept of Anti-Profiteering reaches the masses. Holding of out-reach programmes and meeting of concerned members of the committee at a regular intervals at the states' as well as commissionerate's level is needed.

Anticipating a positive response in future.

Warm Regards,

(B. N. Sharma)
