Madam/Sir,

Subject: GSTIN requirement for the purpose of import & export-reg.

Instances have been brought to the notice of the Board that there is some confusion regarding requirement of GSTIN for importers and exporters at the time of import and export of the goods. This is resulting in avoidable delay in clearance of goods.

The provisions of registration are contained in Chapter VI of the Central Goods and Services Tax Act, 2017. The provisions related to registration under the said Act are applicable to Integrated Goods and Tax Services Act, 2017 (IGST) by virtue of Section 20 of the IGST, Act.

In this regard, it may be seen that Section 23 of the CGST Act specifically deals with the *persons not liable to registration*. Importers and Exporters engaged exclusively in the import and export of goods that are either not liable to tax or are wholly exempt from tax under the CGST or IGST Acts both. Further, Government may on the recommendation of the Council specify the class of person who need not obtain GSTIN [Sub-section (2) of the said Section 23 refers]. In such cases PAN (which is authorized as IEC by DGFT) of the importer and exporter would suffice.

Jurisdictional Commissioners of Customs may ensure that there is no hold up of import and export consignments, wherever GSTIN is legally not required. Importers, Exporters and Customs Brokers may be guided to quote PAN in the bills of entry or shipping bills for such clearances.

Yours faithfully
